Living Water Moments

Whoever believes in me, as the Scripture has said, streams of living water will flow from within him." (John 7:38)

Beginning today, we will have a time during the assembly for you to briefly share moments of praise or blessing - a testimony to how God has worked in your life in the past week... *a living water moment*. It's important for us to recognize and share these moments as an encouragement to each other and as witness to God working in our lives. I think it will help us to be more *aware* of God working in us, and through us, as we look for moments to share...*open the eyes of your heart this week!*
